General Terms of Participation (A)

TECHNICAL GUIDELINES

A1. Application

All potential exhibitors wishing to take part in the event must express their wish to do so by fully completing and signing the "Application form" and submitting it to MMI. All exhibits must be described precisely on the application form. Co-exhibitors and additionally represented companies must be named on the application form. The same particulars must be specified as for the exhibitor. Incomplete applications cannot be considered.

A2. Eligible exhibits and exhibitors

The participation conditions A and B as well as the technical guidelines are accepted as legally binding with submission of application documents. The application of the exhibitor represents the contractual offer. The admission or rejection will be confirmed to the exhibitor in writing in due time. Admission cannot be transferred.

The contract between MMI and the exhibitor is concluded with the admission. According to this contract, MMI is authorized to assign a stand area to an exhibitor, which might deviate from the information in the registration unless these deviations are unacceptable for the exhibitor. A deviation is considered acceptable if MMI does not receive the exhibitor's rejection of the assignment of the stand area within one week. If an exhibitor rejects a stand area before the deadline and the assigned stand area is unacceptable for the exhibitor, the exhibitor can demand that MMI assign him an acceptable stand area. If MMI does not comply with the demand within an appropriate time period, the exhibitor can withdraw from the contract. The exhibitor does not have any more far-reaching rights. Exhibitors do not have a legal claim to admission unless such a claim results from the law. Exhibitors who have not fulfilled their financial obligations to MMI, e.g., in respect of previous events, or have infringed the regulations governing the use of the event grounds, or the terms of participation, may be excluded from admission. MMI is entitled to withdraw from the contract or to terminate the contractual relationship forthwith without notice if admission was based on incorrect or incomplete statements by the exhibitor, or if, at a later date, the exhibitor no longer fulfils the conditions for admission. Only declared and admitted articles shall be exhibited. MMI has the right to remove any other exhibits at the exhibitor's risk and expense.

Hired or leased articles shall not be exhibited. MMI is entitled to remove such objects at the exhibitor's risk and expense. An exception is made in the case of objects which are not part of the exhibitor's range of goods, but which are required for their display (e.g. for demonstration purposes). Co-exhibitors shall not be admitted, nor additional organizations represented, unless expressly specified in the notice of admission. MMI may exclude specific exhibition objects from the admission and link the admission with conditions. The exhibitor's reservations, conditions, and particular wishes (e.g. regarding location, exclusion of competitors, stand construction or design) will be taken into account only if expressly confirmed in the notice of admission. Space will be allocated according to MMI's requirements and the prevailing conditions, and in accordance with the classification system for the trade fair as applied by MMI at its own discretion, and not according to the order in which applications are received.

A3. Rental contract

The application of the exhibitor represents the contractual offer. The admission or rejection will be confirmed to the exhibitor in writing in due time. Admission cannot be transferred. The rental contract comes into force when the organizer has notified the exhibitor in writing that he is admitted. This generally occurs when the booth location has been confirmed by both sides. According to this contract, the organizer is authorized to assign a stand area to an exhibitor, which might deviate from the information in the application unless these deviations are unacceptable for the exhibitor. A deviation is considered acceptable if the organizer does not receive the exhibitor's rejection of the assignment of the stand area within one week.

The allocation of the other stands, in particular of neighbouring stands, can change by the time the trade fair opens. MMI is also entitled to relocate or close entrances to and exits from the trade fair grounds and halls, and to make other structural alterations. Exhibitors cannot make claims against MMI because of such changes.

MMI may also subsequently, i.e. after the rental contract and the stand assignment have come into force, change space allocations, and in particular change the location, type, dimensions and size of the exhibition area rented by the exhibitor, insofar as this is necessary for reasons of safety or public order, or because the trade fair is oversubscribed and further exhibitors must be admitted or because changes in assignments of exhibition space ensure that the facilities and space required for the trade fair are used more efficiently. However, such subsequent changes may not exceed the scope which the exhibitor can reasonably be expected to accept. Should such subsequent changes result in a lower participation fee, the difference in amount will be refunded to the exhibitor. Further claims against MMI are excluded.

If exhibitors cannot use their stand space or are impaired in the use of their stand because they have infringed legal or official regulations or the Terms of Participation A and B or the Technical Guidelines, they are nevertheless obliged to pay the participation fee in full and to pay MMI compensation for all damage caused by themselves, their legal representatives or employees; exhibitors are not entitled to cancel or terminate the contract unless the law specifically entitles them to do so.

A4. Co-exhibitors and additionally represented companies

A co-exhibitor is one who presents his own goods or services, using his own staff, at the stand of another exhibitor (the main exhibitor). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors. In the case of an exhibitor who is also a manufacturer, an additionally represented company is any other company whose goods or services are offered by the exhibitor.

If an exhibitor who is a distributor displays not only the products of one manufacturer but also goods and services of other companies, then these count as additionally represented companies. Admission of the exhibitor does not mean that a contract exists between MMI and the co-exhibitors or other companies he represents. Co-exhibitors are admitted against payment. This also applies to additionally represented companies if specified in the Special Terms of Participation B. The exhibitor must make this payment. The amount can also be invoiced subsequently by MMI.

The exhibitor is responsible for ensuring that his co-exhibitors and other companies he represents comply with the Terms of Participation A and B, the Technical Guidelines as well as the instructions of the Trade Fair Management. The exhibitor is liable for the debts and negligence of his co-exhibitors or additionally represented companies as if they were his own. If co-exhibitors make direct use of MMI services by submitting the required application form, MMI is entitled to invoice the exhibitor for these services. He is jointly and severally in whole to third parties, without MMI's prior written consent. This application procedure does not apply to organizers of joint stands. They are not exhibitors as defined by the Terms of Participation.

A5. Cancelling the contract

If the location, type, dimensions or size of the exhibition area rented by the exhibitor are subsequently changed so much that the exhibitor can no longer be reasonably expected to accept the exhibition area, the exhibitor is entitled to withdraw from the rental contract within one week of receiving written notification by MMI. Otherwise, apart from the statutory rights to withdraw from the contract, the exhibitor has no right to withdraw from this contract. If the exhibitor states that he is withdrawing from the contract, this means—regardless whether he has the right to withdraw from the contract or not—that he is renouncing once and for all his intention to take part in the trade fair. If the exhibitor states that he is withdrawing from the contract and thus renounces once and for all his intention to take part in the trade fair, MMI is entitled to re-let the stand area or use it itself without being obliged to do so, even if the exhibitor has no right to withdraw from the contract.

If the exhibitor has stated that he is withdrawing from the contract, although he has no right to do so, the exhibitor is obliged to pay the participation fee. However, MMI must allow as a credit the value of the expenses saved and the advantages it has gained by re-letting or otherwise using the exhibition area; the exhibitor shall not have more far-reaching rights due to the fact that the exhibition space is rented to others or used in another way. In addition, the exhibitor must pay the compensation of the agreed participation fee as flat-rate compensation for expenses incurred by MMI because the exhibitor has withdrawn from the contract without being entitled to do so and has thus, contrary to his duty, cancelled his participation in the trade fair. MMI's right to claim further damages remains unaffected. MMI is entitled to withdraw or to terminate the contract if the exhibitor fails to meet his financial obligations to MMI on time, MMI has the right but not the obligation to extend the deadline by five (5) days and this deadline for payment has not been met. MMI is also entitled to withdraw or to terminate the contract if the exhibitor neglects his duty arising from this contract to respect MMI's rights, objects of legal protection and interests and MMI can no longer reasonably be expected to adhere to the contract or if the exhibitor fails to comply with rules and regulations as required for his performance of the contract under this document. In the aforementioned cases MMI is entitled not only to withdraw or to terminate the contract but also to demand from the exhibitor the agreed participation fee as flat-rate compensation. Following issued acknowledgement, a compensation shall be charged when the exhibitors withdraws from the contract:

A6. Force majeure, cancellation of the event

If MMI is compelled, as a result of force majeure or other circumstances beyond its control (e.g. failure of the power supply), to vacate one or more exhibition areas, temporarily or for longer periods, or to postpone or curtail the trade fair, the exhibitors do not thereby acquire the right to withdraw or cancel, nor do they have any other claims against MMI, in particular claims for damages. If MMI cancels the event because it cannot hold the event as a result of force majeure or other circumstances beyond its control, or because it has become unreasonable for MMI to hold the event, MMI is not liable for damages and disadvantages to exhibitors arising from the cancellation of the event.

A7. Participation fees

The participation fees are calculated in accordance with the rates specified in the Special Terms of Participation (see part B "Participation fees"). Each square meter or part thereof will be included in full in the calculation, the floor area always being considered rectangular, without taking account of projections, supports, service connections and the like.

General Terms of Participation (A)

TECHNICAL GUIDELINES

Payment of the participation fees must be made as per the payment schedule mentioned in clause B 5 of the 'Special terms of participation (B)' unless other payment deadlines are stated in the Proforma Invoice. Payment of the participation price as well as payment for admitting co-exhibitors is a prerequisite for occupation of the exhibition area.

The applicant shall be invoiced for 100 % of the projected participation price shortly after receiving his written admission confirmation. This payment will be refunded if the applicant is not admitted to the trade fair, but will be forfeited if unilaterally the applicant withdraws totally from the undertaking. Payment of the invoices is due immediately unless other payment deadlines are stated in the invoices. Payment of the participation price as well as payment for admitting co-exhibitors is a prerequisite for occupation of the exhibition area. If exhibitors have ordered MMI services, MMI is entitled to withhold such services, including the supply of electricity, water, compressed air, etc., until the exhibitor has fulfilled his financial obligations to MMI. This applies in particular to obligations arising from previous events. Terms and conditions of payment are in accordance with the Special Terms of Participation (see part B "Terms of payment"). MMI reserves the right to enforce the lessor's lien, as permitted by law, in order to secure MMI's claims arising from the rental. The exhibitor must inform MMI at any time about the ownership of articles, which are exhibited or to be exhibited. If an exhibitor does not meet his financial obligations, MMI can detain the exhibits and stand fittings and, at the exhibitor's expense, sell them at public auction or privately. The legal provisions on the realization of the pledge are—as far as permitted by law—excluded. MMI does not accept liability for damage to exhibits and stand fittings detained under this clause, unless MMI is guilty of intent or gross negligence. Upon special application by the exhibitor, the participation price and/or the payment for the admittance of co-exhibitors can be invoiced to a third party. As prerequisites, the third party must declare acceptance of the obligation or promise to pay the amount owed to MMI, and MMI must declare its agreement with such. Should the exhibitor wish to have an invoice rewritten because the name, legal form or address of the recipient of the invoice has changed, the exhibitor is obliged to pay the organizer a sum amounting to INR 4000 for each change of invoice unless the details in respect of name, legal form or address of the recipient of the invoice were incorrect on the original invoice and the organizer was responsible for the incorrect details. The exhibitors should be ultimately responsible for failure of third party.

Important points to be considered:

1. The application form is valid only in conjunction with -

- **40% non-refundable down payment to be paid within 21 days** of the date of the Proforma Invoice, failing which the application form will be cancelled and the allocated space will be released by MMI.
- **60% balance payment to be paid at least 45 days before the show i.e. on or before 4h January, 2025.**

2. In the event of cancellation, a minimum of 40% of the participation fee is payable. Please refer to clause A5 of the 'General terms of participation (A)' for more details on cancellation policy.

A 8. Complaint

Complaints about any defects in the stand or exhibition area are to be made in writing to MMI immediately on occupying the exhibition area, and at the latest on the last day for stand assembly, so that MMI can remedy such defects. Later complaints cannot be considered and cannot give rise to claims against MMI.

A 9. Liability and insurance

MMI is liable for personal injury (damage arising from injury to life, body or health) caused by neglect of duty for which MMI, its legal representatives or employees are responsible. MMI is also liable for any damage caused by grave breach of cardinal duties by MMI, its legal representatives or employees. In these cases MMI is liable only if the damage is direct damage and not consequential damage and then only up to five (5) times the net participation fee, at most, INR 100,000 per claim. This limitation of liability applies only to entrepreneurs, legal persons under public law or special funds under public law, for the avoidance of doubt, it is clarified that MMI is under no circumstances liable for damage to or loss of goods brought to the trade fair by the exhibitor or the stand fittings or furnishings. In this case, it is immaterial whether such damage or loss occurs before, during or after the trade fair.

The same applies to vehicles left on the trade fair grounds by exhibitors, their employees or representatives.

For his part, the exhibitor is liable for any culpable damage to persons or property caused by him, his employees, representatives and exhibitors and their exhibition articles or exhibition installations and equipment. Each exhibitor is obligated to take out suitable insurance with sufficient insurance coverage with an insurer registered in the Republic of Africa and to pay the premiums incurred (including insurance tax) in good time.

A 10. Photography, filming, video recording and sketching

Only persons authorized by MMI and in possession of a valid MMI pass may film, photograph, or make sketches or video recordings in the exhibition halls and the outdoor exhibition area. Under no circumstances may photographic or other images or recordings be made of other exhibitors' stands. If this rule is infringed, MMI can demand that the recorded material be surrendered and take legal steps to achieve this end. Photographs of stands which are to be taken outside normal opening hours and need special lighting require MMI's prior consent. Such photographs require the main ring circuit to be switched on by the hall electrician. The exhibitor will be charged the costs incurred, insofar as they are not borne by the photographer.

MMI is entitled to have photographs, drawings, films and video recordings made of events at the trade fair, of stands and exhibits, and to use them for advertising or general press publications.

A 11. Catering, deliveries to stands

Only companies approved for the event grounds may supply exhibition stands with food, beverages and/or flowers. Deliveries to exhibition stands are only permitted with restrictions. MMI is authorized to allow deliveries to stands only at certain times.

A 12. Intellectual property rights

MMI expects exhibitors to respect the intellectual property rights of other exhibitors. For this end, MMI is entitled but not obliged to set up an Intellectual Property Complaint Office (IP Office) for each trade fair, whose purpose shall be to support exhibitors in cases of infringement of their IP rights by other exhibitors. If it is proved to MMI, by presentation of a court decision, that an exhibitor has infringed the intellectual property rights of another exhibitor with the articles on display, printed papers, advertising materials, or otherwise, then MMI is entitled, although not obliged, to remove from the offender's stand the exhibits, printed matter, or advertising material causing such infringement and to impound them until the end of the trade fair, to close the offender's stand, and/or to expel him and his staff from the trade fair grounds. MMI is also entitled to exclude the offender from future trade fairs. If such measures prove unjustified, no claim for damages can be made against MMI, unless the latter is guilty of gross negligence or wrongful intent. Without Prejudice to the generality of clause A24, the exhibitor agrees to indemnify and keep indemnified MMI from and against any action, liability, penalty, prosecution, cost charges, expenses, damages or claim of whatsoever nature arising from or resulting from the infringement or violation of the Intellectual Property Rights of any third party/other exhibitor by the exhibitor.

A 13. Exhibitors' passes

For the time in which the trade fair is held, the exhibitor receives a number of free exhibitors' passes as specified in the Special Terms of Participation. Any additional exhibitors' passes requested are charged for. All exhibitors' passes are numbered and the passes are not transferable. Exhibitors' passes must not be given away or sold to unauthorized third parties, e.g. to persons or companies who wish to offer goods for sale or to render services at the trade fair center without corresponding authorization from MMI. Exhibitors' passes are issued only after payment of the participation fee, and the remuneration for the admission of any co-exhibitors.

A 14. Assembly, staffing and dismantling of stand

The dates for assembly and dismantling, specified in the Special Terms of Participation, must be observed. Stands not occupied by the last day for assembly may be disposed of as MMI sees fit. Exhibitors admitted to the fair undertake to participate in the event. The stand must be properly equipped and staffed by qualified personnel throughout the trade fair during the prescribed opening hours. Particular attention should be paid to ensuring that the stand is already fully staffed when the trade fair opens. Exhibitors are not permitted to remove trade fair goods or dismantle their stands before the trade fair closes. If they break this rule, MMI is entitled to demand a penalty of INR15,000.

MMI is entitled to exclude from future trade fairs any exhibitor whose stand is staffed by insufficiently qualified personnel during the trade fair's opening hours, who exhibits an incomplete range of goods or goods not admitted to the trade fair, who vacates or clears his stand before the end of the trade fair, or who otherwise infringes the Terms of Participation, without prejudice to MMI's right to cancel the contract in accordance with section A5 or to a claim for all costs thereby incurred by MMI.

A 15. Verbal agreements

All verbal agreements, individual and special arrangements are valid only with MMI's written confirmation.

A 16. Regulations for use

Exhibitors must comply strictly with the building and use rules for the event grounds. Exhibitors are not permitted to spend the night in the halls or on the open-air grounds. Exhibitors must take the other participants in the event into consideration, must not act contrary to public policy and must not misuse their participation in the event for ideological, political or other purposes which have nothing to do with the event.

A 17. Period of limitation, period of exclusion

All the exhibitor's claims against MMI arising from the stand rental, and all legal proceedings in connection therewith lapse after a period of six months, unless permitted by applicable laws. This period of limitation starts at the end of the month in which the closing date of the fair falls. Notwithstanding the provisions set out in clause A8, any complaints about invoices are to be made in writing within a period of exclusion amounting to 14 days following receipt of the invoice concerned.

A 18. Place of performance, applicable law

South Africa shall be the place of performance and also for all financial obligations. Only the law of South Africa shall apply. This applies even in case of termination or withdrawal of any contractual relationship.

A 19. Jurisdiction, arbitration agreement

The following shall apply where the exhibitor is incorporated in the Republic of Africa:

In the event of any dispute, controversy or claim (collectively, "dispute") arising out of or relating to this rental contract, or the breach, termination or invalidity of this rental contract both parties shall attempt in the first instance to resolve such dispute through friendly consultations. If any dispute is not resolved by friendly consultations, then the parties submit to the exclusive jurisdiction of courts and tribunals of competent jurisdiction in South Africa.

The following shall apply where the exhibitor is incorporated or with their principal place of business outside South Africa:

Any dispute, controversy, claim or disagreement of any kind whatsoever between or among the parties in connection with or arising out of this agreement or the breach, termination or invalidity thereof (hereinafter referred to as a "dispute") shall be referred to and finally settled by arbitration. The arbitration shall be conducted in South Africa in accordance with the Rules of Arbitration of the African Council "IMC" (the "rules"), which, as modified from time to time, are deemed to be incorporated by reference into this section (provided that, in the event of any conflict between the rules and the provisions of this clause, the latter shall prevail)

All arbitration proceedings shall be conducted in the English language. The arbitration shall be conducted by a panel of three (3) arbitrators consisting of one (1) arbitrator appointed by

General Terms of Participation (A)

TECHNICAL GUIDELINES

MMI, one (1) arbitrator appointed by the exhibitor and the third arbitrator appointed by the aforesaid two appointed arbitrators. The seat of the arbitration shall be in South Africa. The award rendered by the arbitrators shall be in writing and shall not make such decisions on the basis of the principle of ex aequo et bono or as amiable compositor. The arbitrators shall set out the reasons for their decision. The award shall allocate or apportion the costs of the arbitration as the arbitrators deem fair. The parties agree that the arbitration award shall be final and binding on the parties. This applies even in case of termination or withdrawal of any contractual relationship.

In Africa, subject to the provisions of arbitration above, (A) with respect to any challenge, direct or indirect, to the arbitration ("Proceedings"); and (B) for the purpose of enforcement of the arbitral award; the courts and tribunals of competent jurisdiction at South Africa shall have exclusive jurisdiction.

A20. Data protection

In compliance with data protection legislation in South Africa, the person-related data of the exhibitor is processed and used for fulfilling the business purposes of MMI and shared with third parties in order to fulfill the purposes of the contract. Personal data of the exhibitor shall be used by third parties for marketing purposes of related trade fairs by the associate companies of MMI.

MMI and its contractors may need to process your personal data for the purposes of this contract and for providing services to you under this contract. MMI may appoint third parties to process your personal data and they too shall be subject to the relevant laws and regulations applicable to MMI.

A21. Severability clause

Should the provisions set out in the Terms of Participation or Technical Guidelines be or

become legally invalid or incomplete, the validity of the other provisions or the contract concerned remains unaffected. In such a case, the contracting parties undertake to replace the invalid provision and/or fill the gap with a provision with which the contracting parties are most likely to achieve the economic purpose they pursue.

A22. Authority

The exhibitor warrants that it has full power and capacity and authority to sign the "Application form".

A23. Legal compliance

The exhibitor warrants that it is in compliance with the South African laws at the time of signing the "Application form" and shall comply with South African laws at all times while performing its activity while participating in an event. The exhibitor is not restricted by any judgement, injunction, order, decree or award from signing the "Application form" and performing activities under this event.

A24. Indemnification

B 5. Terms of payment (see A7)

The deadlines for payment given in the invoices must be observed. This application form is only valid when the applicant receives a written admission confirmation from the organizer, which signifies the conclusion of the rental contract. Each square meter or part thereof will be

included in full in the calculation, the floor area always being considered rectangular, without taking account of projections, supports, service connections and the like.

Upon approval of the application form by MMI, the applicant will receive a Proforma Invoice covering 100% of the anticipated participation fees. The applicant is required to strictly adhere to the following payment schedule, unless alternative deadlines are explicitly outlined in the Proforma Invoice:

- **40% of the participation fees within 21 days of the date of proforma invoice.** Failure to do so may result in the cancellation of the application, and the allocated space may be released by MMI.

- **The remaining 60% of the participation fees at least 45 days before the show i.e. on or before 4th January 2025.**

It is a prerequisite for exhibitors to complete 100% payment of the participation price, including fees for co-exhibitors, to secure occupation of the exhibition area, inclusion in the catalog, and obtain workers' and exhibitors' passes. This payment will be refunded if the applicant is not admitted to the trade fair but will be forfeited if unilaterally the applicant withdraws totally from the undertaking.

The Tax invoice for the participation fee in the show will be issued within 30 days of the completion of the show as per the statutory guidelines.

The applicant shall be invoiced for 100% of the projected participation price shortly after his application receiving his written admission confirmation. This payment will be refunded if the applicant is not admitted to the trade fair, but will be forfeited if unilaterally the applicant withdraws totally from the undertaking. Payment of the invoices is due immediately unless other payment deadlines are stated in the invoices. Payment of the participation price as well as payment for admitting co-exhibitors is a prerequisite for occupation of the exhibition area. Prior payment in full of the amount invoiced is a condition for access to the exhibition area, an entry in the catalog, and provision of workers' and exhibitors' passes. The applicant or exhibitor will receive invoices for all additional charges (e.g. technical services, advertising material) with the confirmation of the order; they are to be paid immediately on receipt. All invoiced amounts in all MMI invoices, which are connected with the event, are to be paid in INR/EUR/USD, without deductions and free of all charges, by credit transfer to the account specified in the invoices, mentioning the exhibitor's company name and invoice number. If any deductions or withholdings are required to be made under applicable law, the amount payable to MMI shall be grossed up such that the amount actually paid to MMI shall be no less than the amount of the invoice.

B 7. Stand design and equipment (see Technical Guidelines)

Stand height:

The maximum construction and advertising height for stand construction is four (4) meters.

NEW GUIDELINE for stand open sides: In order to preserve the character of the air cargo Africa 2025 | transport logistic Africa 2025 as a communication and business trade show, exhibitors are requested to ensure an open stand design. MMI is entitled to demand changes in the exhibition stand design in this context. Stand designs can only be approved if the open sides of the booth have a uniformly open design. Erecting closed walls is permitted, provided they do not take up more than 30% of the total length of the respective stand side, and closed walls may be no more than 6 m in length. A closed length of wall measuring 6 m must be followed by an opening at least 2 m wide. MMI reserves the right to allow exceptions to this ruling in individual. Assuming that the Technical Guidelines are observed in designing and constructing a stand, drawings need to be submitted for one-story stand construction in the halls insofar as they are built by the exhibitor. On request, MMI will check submitted stand construction plans (submitted in two copies) for exhibitors. No specific approval will be issued.

All other stand constructions which are higher than three (3) meters (multi-story stands, mobile stands, stands with bridges, stairs, cantilevered roofs, galleries, etc.) and constructions on the open-air exhibition grounds require written approval from MMI.

In the case of infringement of any of the conditions specified here, MMI is entitled to take action in accordance with the General Terms of Participation.

MMI will erect partition walls only upon request and at the exhibitor's expense. Exhibitors will receive, in good time, the order form for these walls and further stand walls (height 2.50 m) with the Online Exhibitor Manual.

B 8. Other regulations

All building structures on the trade fair grounds shall be executed in accordance with the legal requirements for construction materials. Revolving tower cranes, etc. must be secured according to regulations. Suspending advertising media or other loads (apart from flags) from cranes is prohibited for safety reasons.

B 9. Technical installations

Applications for electrical installation, water, drainage, and telecommunications can be considered only if submitted in due time on the order forms available from MMI. The precise terms of delivery and the connection fees are stated on these forms.

B 10. Restoration of the exhibition areas

All exhibition areas must be handed over to MMI's Operations Department in their original condition by the stipulated date for completion of dismantling. At the end of the exhibition, exhibitors must remove from the site all the materials especially the double-sided carpet tape used from their stands by the respective timings stated in the "Operations Schedule".

MMI is entitled to charge the exhibitor concerned for the removal of excessive waste (stand construction debris, crates/pallets, cartons, packing materials or literature) by a contracting firm at exhibitor's cost. Such cost shall be paid immediately to MMI by the exhibitor upon receipt of the charges from MMI.

B 11. Use of equipment

Only cranes, fork-lift trucks and working platforms may be used that have been provided by the MMI service partners responsible. In special cases, the consent of MMI Operations Department is required.

B 12. Transport of track-laying vehicles

Only track-laying vehicles with smooth track plates, that are also approved for public roadways, may be driven on the roads of the trade fair grounds. The transport of track-laying vehicles into the exhibition halls is permitted only with the express approval of MMI's Operations Department. The exhibitor is fully responsible for any damage to road surfaces and hall floors.

B 13. Sales regulations

Direct sales and other services or deliveries made from the stand are not permitted. Exhibited goods must not be delivered to purchasers until after the trade fair closes. Sales are permitted only to wholesalers, retail or trade customers.

B 14. Catalog, website, visitor information

An official trade-fair catalog, an online database and visitor information will be compiled for the trade fair. All exhibitors (including co-exhibitors, companies at joint stands and additionally represented companies) are included, with the name indicated in the application, in the alphabetical list of exhibitors in these media. The minimum entry contains the exhibitor's company name, hall and stand number in the alphabetical list of exhibitors. Exhibitors (including co-exhibitors and companies at joint stands) will be offered other entries, e.g. in the "product index", and other forms of presentation in these media on a separate order form. The forms will be sent to applicants in good time. MMI assumes no responsibility for the correctness and completeness of the catalog, online database and visitor information. The exhibitor is solely responsible for the permissibility under law—and particularly the law on competition—of any advertisement placed in the trade fair catalog, the online database or the visitor information of MMI at the instigation of the advertiser. Should third parties assert claims against MMI on account of the impermissibility of the advertisement under law in general or the law on competition, the advertiser shall hold MMI fully safeguarded against all claims asserted including all costs of any necessary defense in court on the part of MMI. The same applies to exhibitor entries actuated by exhibitors in the trade fair catalog, the online database or the visitor information of MMI.

B 15. Exhibitors' and workers' passes (see A13)

For the time in which the trade fair is held, each exhibitor receives the following number of exhibitors' passes free of charge:

Workers' passes for setting up and dismantling of stands are available in the numbers required. These passes are valid only during the time of setting up and dismantling and do not authorize the holder to enter the trade fair center during the event. Workers' passes must not be passed on to unauthorized third parties, i.e. to any third party not in a relationship of permanent or temporary employment with the exhibitor.
